Making your way
in the world today
takes everything
you have got.
Taking a break
from all your worries
sure would help a lot.
Wouldn't you like
to get away?

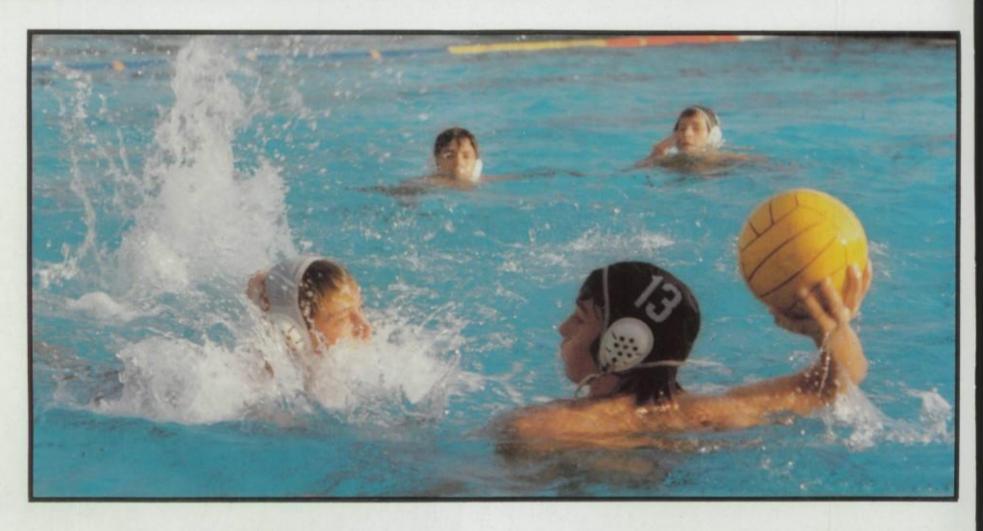

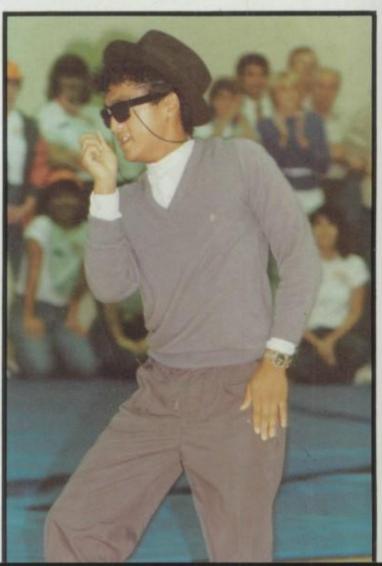

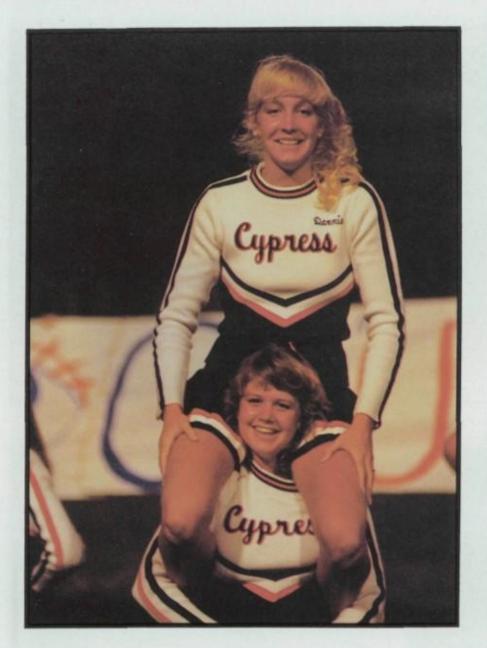

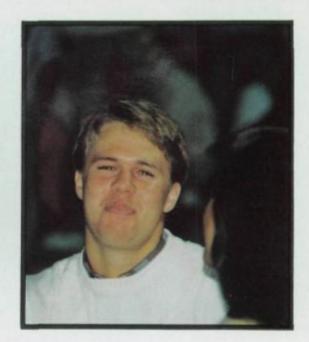

Sometimes you want
to go where everybody
knows your name
And they are always
glad you came.
You want to be where
you can see that
troubles are all
the same.

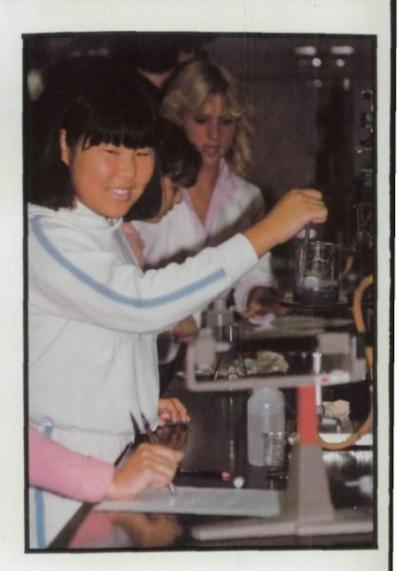

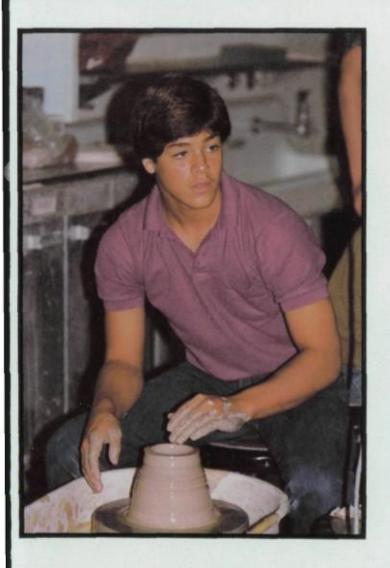

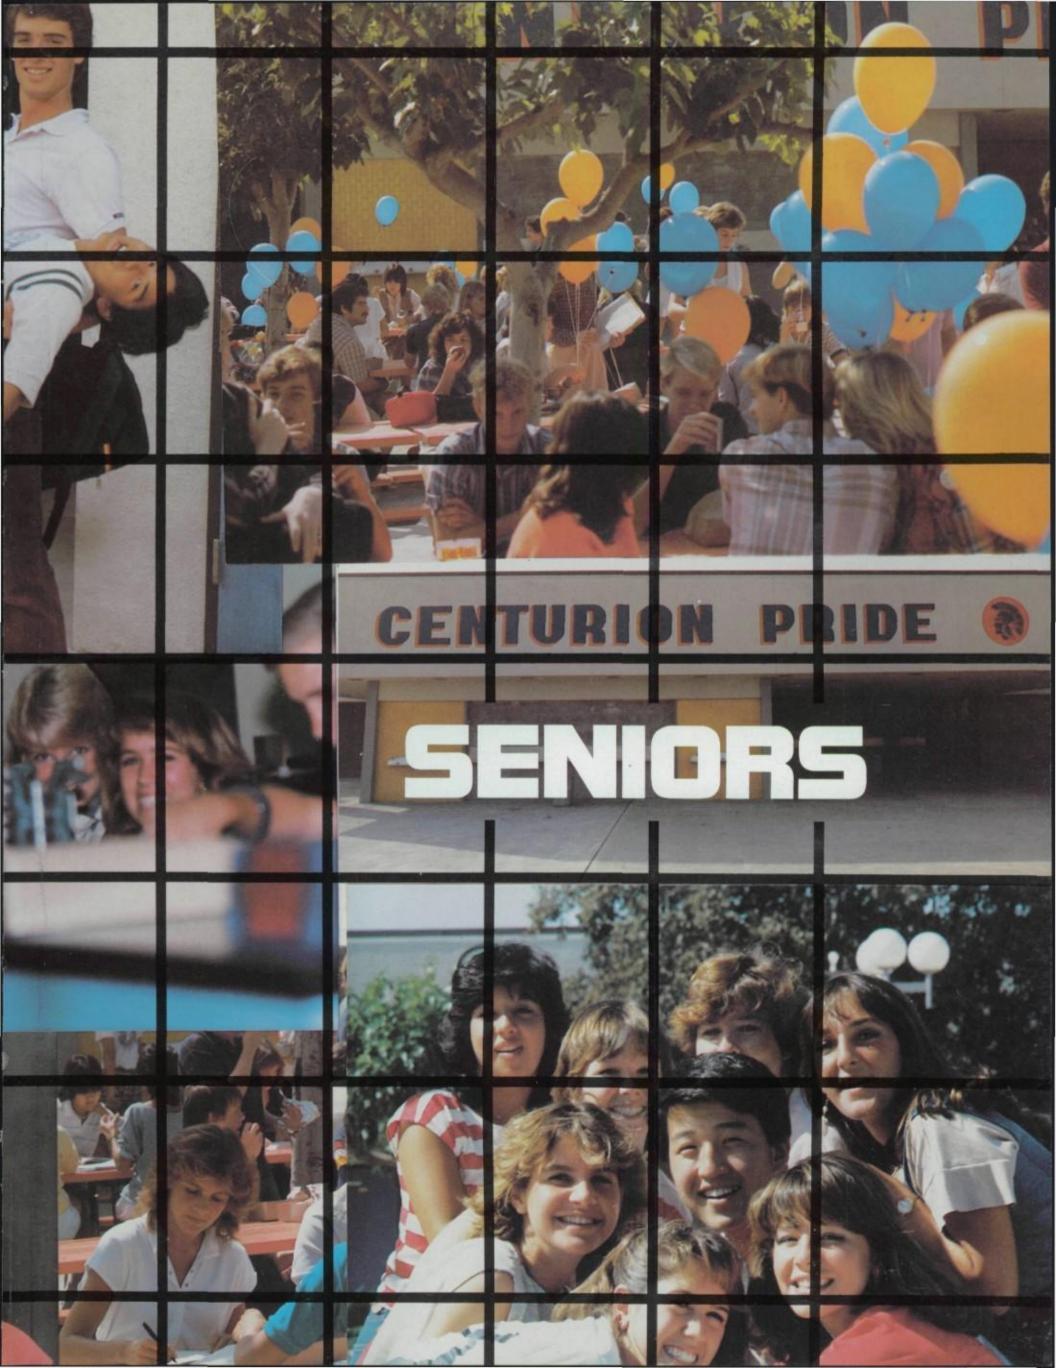

You want to be
where everybody knows
your name.
You want to go
where people know that
people are all
the same.
You want to go
where everybody knows
your name.

Best Friends

One of the greatest joys in my life is our friendship. I don't think either of us suspected, when we first met, that we would stand where we do today, sharing the close harmony of our abiding friendship. But we grew together through the days, sharing laughter and tears, thoughts and silence -all the things that have become an unforgettable part of who we are. You have always encouraged me to share myself fully-my hopes, my dreams,...

my secret pains and sadness that I have come to understand better in the light of your concerned understanding. I hope I have reflected back to you, if only in a small way, something of the same. No one knows what path tomorrow will find us walking; but together or apart, I know that I've found in you the lifetime friend that I have always wished for, and that the years passing will never change, but only strengthen, our enduring relationship.

HOMECOMING '83-'84

"A Decade Strong" was the theme of the 1983-84 Cypress homecoming. The Spirit Week activities included dress-up days, dunk tank, aqua-cycle races in the pool, and a homecoming assembly. At the assembly Jeff Pruitt and Leslie Davis, last year's king and queen, named Bret Green this year's king. At the half-time show, Kandi Evans was crowned this year's queen. Following the football team's victory over Katella, Centurion students enjoyed themselves at the dance in the Cypress Community Center.

HALLOWEEN 83

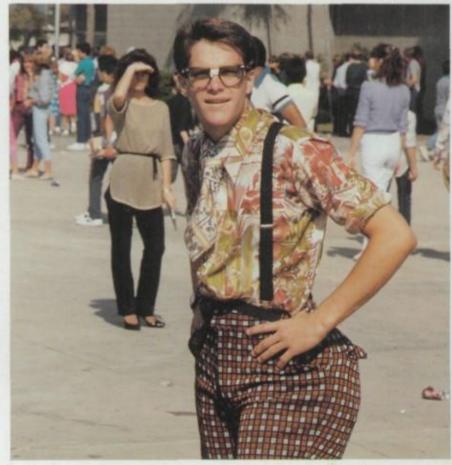

Spirited Centurions, both students and faculty, showed enthusiasm on Halloween by dressing up. The Student Council held a costume contest for the best costume for a student and a teacher. Mrs. Hoffman, dressed as witch, won for faculty. For student competition, a junior, James Bliss won as a Samurai Swordsman. CENTURION spirit was shown by every student and faculty member who participated to make this day special.

Cypress High School's 1st Annual Dance Contest

This year Cypress started what hopes to be a new tradition, an Annual Dance Contest. With four contestants and a huge viewing crowd, Xavier Cancholla danced away with a first place prize of a \$50.00 gift certificate at the Warehouse. The South Coast Breakers were the winners of a second place prize of \$25.00 cash. Much thanks to Julian Ramirez for the idea and organization of the contest.

Donkey Basketball

The Donkey Basketball game this year was successful once again with the Faculty beating the Varsity Club with a final score of 24 to 22.

The successful winners of the Faculty team consisted of Coach Selbe, Van Hook, Rayl, Mr. Freeman, Mr. Peters, Mr. Moulton, Mr. Green, Ms. Sandoval, and Mr. Chamberlain.

The opposing team made from the Varsity Club consisted of Deena Baker, Cheryl Hoffman, Eric Krivashei, Chris Drennan, Russell Stange, Linda Stover, Janet Rudner, Linda Josey, Mike Galloway, April Stiles, Beth Niederman, Debbie Niederman, and Colleen Kelly.

Everyone who attended the game had a great time watching the players go for a win.

Powder Puff Football

This year's Powder Puff football game against Kennedy High School turned out to be more of a grudge match than a football game. Trying hard to ignore stabbing elbows and harsh words from opposing players, the lady Centurions dominated Kennedy during the game, even though the final score was 0-0. Much thanks should be given to the coaches Gary Biggerstaff, Richard Thurmond, Joe Santo, Bill Sandefur, and Jim Brown who put a lot of time and effort into making the team a good one. The team and coaches have only one thing to say "Every day, in every way, we get a little better-HEY, BEAT KENNEDY."

The Wizard Of Oz

Cypress Drama

This year was one of the most successful ever for Cypress High's Drama Department. The plays were sold out to the audiences, but the students also learned to develop their theatrical skills by getting into the classics. After portraying the characters superiorly in two of Oscar Wilde's most challenging English plays-

The Importance of Being Earnest, and Boy meets Girl, they looked to conquer some of America's favorites. Achieving much more than expected, the Drama Department broke all time attendance records when following the yellow brick road in The Wizard of Oz; and to top off a terrific year - they vivaciously brought the one and only My Fair Lady to life.

Kudos to Cypress High's Drama Dept.

P.S. We're looking forward to next year!

This year had been a very exciting and successful year for the Cypress Show Choir. The year began with the choirs first concert "Holiday Moods". With Christmas approaching, the choir spent many extra hours of rehearsal for their appearance in "Holiday in Music". Other events included singing for the Cypress Tree Lighting.

With 1983 behind them, the choir prepared for their Love concert in celebration of Valentine's Day.

The end of the year came quickly with Festival and their featured pop concert. The concert featured many solos and duets along with several songs performed by the entire Cypress Show Choir.

Every member of the Cypress Show Choir will agree that it was a great year and will long be remembered.

Director-Advisor Ron Brody

Victor Starkweather enjoys singing.

The dynamic trio Meri Woodson, Vickie Peterson and Holly Buras.

Look at the camera Tim Jones! You are going to be in the yearbook.

"Oh, No Meri!" says Scott Meldrum, we are on the spotlight.

Dan Barret sings his first solo.

Smile! you all are on the Yearbook's Candid Camera.

Nervous Micheal Vega, puts on a smile for the Yearbook.

Pep Ralley

Of all our pep assemblies this year, one of our most successful rallies was before our Varsity Basketball team played Kennedy. At this assembly we had Cypress High's first Kissing Contest. The guys in the Contest thought that they would be kissing cheerleaders, but instead we substituted their mothers. Also at the assembly we had an Irish Funeral, in which Guy Briggs portrayed the dead leprechaun.

Patty Nakamura, questioning the results.

Centurions kill the "Luck of the Irish."

Mike Galloway gives his sister an 8 in the kissing contest.

Darren

Darren Johnson rates his mom's kiss a 9.

"You", "You," "You," "You,".

Congratulations to the 1983-84 Varsity Soccer team for another great year! The Centurions again finished the season with a winning record. Fine performances were turned in throughout the year by all of the players. We would like to thank coaches Skip Loomis, Bruce McCall and Fred Leininger for the time and effort they put forth. The dedication and talent of both players and coaches led the varsity team to the C.I.F. play-offs where they reached the SEMI-FINALS, a first in Cypress history!

Girls' Varsity Swimming

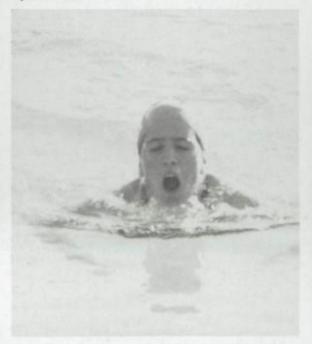

This was an exciting year for the girls' varsity swim team. Coach Gary Drent said that this was one of the youngest teams Cypress has ever had, with only a few seniors being on the team, but that it was also one of the best. Each team member put forth all her effort into each meet. This made it tough for the other schools to beat the Centurions.

The CHS Tall Flag Team has been working continuously throughout the 83-84 school year. During first semester the team marched at football games, field show tournaments, and in numerous parades. Second semester the unit broke into two groups for festival routines. Both semesters were filled with fun, excitement, enthusiasm, and of course-making new friends. The highlights of this past year have included: a trip to Canade, summer camp with the band and drill team, and a television appearance. A special thanks to our advisor Lisa Brooks-"We love ya Lis. It's been great!

Jazz Band

This year has been an outstanding year for the Centurion Band and Pagentry, from band camp in the San Bernadino Mts. in August all the way up to May when the band and auxiliary units toured Canada. The year has been non-stop for the Centurions. They started several weeks before school started and traveled up to Camp Osceola. They spent a good week working, for hours, on marching techniques and getting to know each other at the evening campfires performing skits, telling jokes, and even a small ragtime band. Then they started into their competition season traveling around the southland and bringing home 2 first place trophies, 5 second place trophies, and numerous other awards as well as performing at the Anaheim Band Spectacular, the Music Olympics and even a performance at Disneyland. all the while raising money to go to Canada, in the spring. During the band and pagentry tour in Canada they performed in the Queen's birthday parade as well as a few other concerts in and around Victoria and Vancouver. It has been a great year for the marching band, concert bands, tall flags and drill team.

Celestine Drill Team

The Cypress Celestine Drill Team finished its '83-'84 marching season with all first and second place trophies. The squad consisted of 3 seniors, 4 juniors, 16 sophomores, and 2 freshman. None of these girls had ever been on a team quite like this before. All of the girls put in a lot of hours of long, hard practice to accomplish what they have all year. They performed at football half times, assemblies, competitions, and parades. Their advisor and coach is Miss Lori Smith.

Who's behind those Foster Grants?

My Year in Drill Team

There were some girls that had a dream To form a group of pride Some more tried out to build the hope From there they tried and tried.

They had a coach to start them off It seemed so true to say But much to their suprise they found He took a hike one day.

On to camp they went without him Alone but heads held high They danced as one and showed the rest Their spirit would not die.

Then came Lori, some one who cared She taught them all the moves Restoring hope they thought had left They all refused to lose

We've come to know togetherness Against all odds we've grown I'm proud to be a part of this Our drill team is now known.

This year the 1983-84 pep club accomplished many things. They sold ribbons and buttons for football and basketball games. The popcorn that you ate all year long was also sold by pep club members. They were also responsible for favors for the different sports.

The club officers are president, Deanna Mitsch; vice president, Sherry Stange; secretary, Tina Green; senior class representatives, Kerry Cleave and Janet Rogers; Freshman representatives, Kellie Margetich and Christine McLaren.

We would like to thank our advisor Judy Grady for all the time she spent and the help she gave.

Michelle Hall, Elaine Burgmeier, Denise Yenawine, Sherry Inoye.

This year's class of '84 was responsible for the half time activities at our homecoming football game and also for the dance afterwards. Both were a huge success. The club is advised by Mrs. Weiss and Ms. Stokes. This year the class of '84 sold candy canes at Christmas and made a good profit. The class of '84 would like to thank the teachers and staff at Cypress High School for making our four years at Cypress ones we will never forget.

The class of '85 presented the Junior-Senior Prom of 1984 at the Anaheim Marriot this year. It was the class's main project of the year. The committee consists of 23 members and four officers. This year, we sponsored many fund raisers with profits going toward the ticket price. We planned to make this years prom a successful and memorable one; and it was. We hope everyone had as great a year as we did, so with one year to go, let's make it the best ever!

The class of '86 had a year to remember. Our main event was the winter formal, "The music never ends when I'm with you", which was held at La Plaza de Cafe in Newport Beach. Everyone there had a blast. Our class is looking forward to our second half here at Cypress High. We would like to thank everyone who made this an enjoyable year.

Bobby Johnson, Jill Barret, Mellisa Straeter, Kim Carlson, Shannon Crooks.

This year the freshmen class of '87 had an exciting rookie year. We put on a Spring dance which was successful, as always, and we raised money for our class by putting on a fund raiser. We would like to thank the student council for helping us out our first year at Cypress. Hopefully our years to come will be as exciting as our past year.

The Sailing Club members at Cypress High have enjoyed five day outings this year. We used a Coronado 25 sailboat from Newport Harbor, a Newport 30 sailboat from Long Beach, and several Lido 14's from the Sea Scout Base in Newport Beach. As a result, our members have had the opportunity to sail large and small boats.

In March we had a successful candy sale to raise money for our Catalina trip. Plans called for us to sail to the Isthmus and spend a leisurely weekend combining the hills of Catalina Island sometime in May.

"S" Club

New at Cypress this year, the Soroptomist Club began serving the community. The club consists of thirty involved members. They sponsor a home for battered women, a West Orange County Hotline and a kidney dialysis association. At Christmas time they sent stockings with small gifts to the women and children at the home. Other projects were helping at the Special Olympics and at other organizations. The club went to a camp in San Diego during the month of March. The girls enjoyed serving the school and community throughout the year. They want to thank Mrs. Simpson, Mrs. McCall, and Mrs. Jones for their time and effort to make this club such a success!

The Key Club also did work at the Nolan Cromwell Charity Golf Tournment. They gave there time and effort to help at the Special Olympics held in Cypress. Much thanks to Mr. Gordon Campbell our advisor who is busy but still finds time to help us in any way he can.

CFS started the year off well with about a couple hundred members. After selling such items as pencils and mistletoe CSF had enough money to pick up the tab for the Academic Honors/Gold Seal-Bearers Banquet. But that didn't keep CSF members from having some fun now and then at pizza parties, bonfires, at the beach and volleyball tournaments. This year under the terrific leadership of President Jim Wenk and Cabinet, CSF had a new motto-to serve the community. Hoping to have accomplished all that and more, underclassmen look forward to next year in hopes of having it be just as successful as this one.

The Chemistry Club has had a very busy year. We started the year with a successful ballon sale in which we raised money for the club. Other activities included a car rally, the Chem Club Christmas party, and a picnic/volleyball game against the Physics Club. We also sponsored a tutoring program which benefitted many students. Thanks for a wonderful year.

Physics Club

This year Cypress High initiated its first physics club. The goal of the club was to spark interest in this science for those students not enrolled in the class and to expand on the applications of physics. Members raised enough funds to support such activities as a trip to Griffith park observa-tory and Magic Mountain's physics day. The club did well for its first year and hopes to increase membership in the future.

This year marks the second year that Cypress has had a computer club. The main activity of this year was the sponsoring of a computer programming contest. The contest ran through second semester and was open to all students. Another activity has been our interclub competition. We determined which club member were the best programmers. Those people became the Cypress High computer team and competed in county competition. The club would like to take this opportunity to thank the math department for supporting our activities and contributing to their success.

SPANISH CLUB El club de Espanol es muy interesante. We are a service and cultural organization. We had a lot of fun sponsoring a Mexican child through the Christian Children's Fund, and making contributions to an orphanage in Tijuana, "La Casa de Esperanza". Our successful fundraisers allowed us to go on various exciting fieldtrips. All members had a great year serving the school and people in need.

Speech Team

Mrs. Oliveras, Advisor

SPEECH TEAM

The speech team began the year with one of the biggest turnouts at Cypress high. We started the year with one varsity speaker and ended with all members competing in varsity events. In one competition Cypress High's speech team took first place in overall individual events beating over 30 other schools. Not only did we compete in Orange County speech league tournaments but also competitions sponsored by community clubs (Lions club, Optomist club, etc.) At the end of the year the team competed against the best in Orange County and several members came out on top and advanced to state championships. The speech team is looking forward to next year to carry on their winning standard.

Here we are! Jim Wenk, Kristen Burgmeier, David Scott, Beverly Rodriguez.

leen, for their time and support.

CULTURAL ARTS CLUB

The goal of Cypress High's Cultural Arts club was to become culturally entiched by getting to know more about other ethnic groups and their customs. We also tried getting into the classics. This year we successfully achieved all of these goals. We started off the year by watching such movie greats as My Brilliant Career and Lion in the Winter, while munching on goodies of course. Food gave us the idea for an "ethnic picnic" where they got a taste of other cultural treats. We also acquired an appreciation for art by taking trips to museums and acquired an appreciation for art by taking trips to museums and learned more about the history of many cultures. Not only did we get into history but also into the current state of art by seeing a musical production in Los Angeles. Cultural Arts had a great year and its members learned a little bit more about themselves and others

YEARBOOK

Perhaps, the hardest part of yearbook staffing for many of our inmates came when it was time to get back into the normal stream of everyday Centurion living. Finding it hard to readjust, many staffers felt awkward eating lunch outside of room 325, without so much as a proof sheet to look at. The mere mention of emotional topics in the casual conversation, such as deadlines or ten point, caused many a lip to quiver. Unfortunately, the shock proved too great as some staffers, unable to cope with the hostile environment, fell by the way side when they no longer had their birthday celebrated by loud mouth yearbookies. Seldom the day went by when they didn't have at least a mildly humorous joke or a refreshing tidbit from the staff. These pages were harvested with toil, if not always out of love, perhaps obligation.

C.C. Rider

The C.C. Rider's Staff '83-'84 produced a great series of papers to keep the Cypress campus informed. Keeping the school's activities recorded was only part of a staff member's job. Digging up scoops outside the campus, like researching anorexia, covering political happenings, and rating new records, was also in their busy schedules as staff members attempted to keep the student body informed of the world around them. Mr. Terry Campbell was their advisor, and he helped the students with their grammar, mechanics, and the use of journalistic style to keep their stories well written. Misplacing supplies, finding enough typewriters, writing late stories, figuring out layouts, interviewing the impossibles, and being late to class were only a few of the problems they faced, but overcame, and each paper was well worth the reading.

Student Council

A.S.B. stands for associated student body. Student council is an experience everyone should participate in. From summer camp to graduation the council members built and strenghthened friendships that will last a life time. Without Patty Nakamura our fabulous president much would have been left undone. Thank-you also Tom Peters for everything you have done to make the 1983-1984 council year a successful one. "Mom" Pachon we will never forget all of the love and understanding you gave

What's your favorite thing to do when you're not at school?

Angie King: When I am not in school, I like to go skiing, to the beach, and places with Tim.

Chris Clark: When I'm not in school, I like to spend my time hiking and lifting weights with Steve.

Tim Leuschen: After school I like to lift weights, go to the desert, water-ski, go to the beach, go to parties, and look at girls.

Lisa Kranz: I like to water ski, snow ski, work with Sherry and Michele, go to the beach, eat!

Tracy Gallagher: In my spare time, I love to ride bikes to the beach, laugh with my ski buddies down the slopes of Utah, attend L.B. State ski parties with Susan (ha!) and pig-out on Riko's!

Crystal Williams: During my free time, my friends and I like to dance. We go to Disneyland. Spending time with friends is the best way to spend time!

Kelley Martz: Besides having so much fun at school (ha!) I like to bum around with my friends.

Mike Werdin: I like to roller skate or ski. I love to listen to my OZZY Osbourne records and play with my computer.

Cheryl Hoffman: When I'm not at school, I enjoy sports activities and swing.

Jodi Rooke: During my free time I love eating a 28" Rico's pizza with my friends . . . then Baskin-Robbins!

Robbie Vardo: My favorite thing to do on the weekends is to spend time with my family, friends, and my boyfriend Brad.

Tina Green: On my free time I really love to go to Newport Beach and watch the guys and then go to Westwood to see if the U.C.L.A. guys are as cute!!

Lisa Vertrees: I like to con my boyfriend into renting limos, so that my friends and I can go to nice restaurants, pretend we

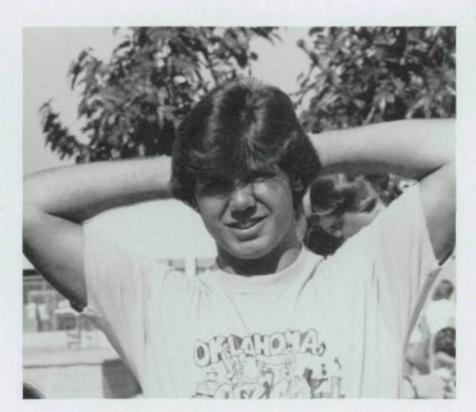

Deena Baker: I enjoy sports such as basketball, high-ball, and softball. I also enjoy dancing with friends.

have money, and end up making fools of ourselves.

Ryan Heaney: My favorite thing to do is to ride into the sunset and forget school for two fun-filled days.

Surendar Singh: My favorite things to do are shopping, going to the beach, and going to good concerts with my friends.

Dan Garcia: I like driving "the prop" while blasting my ears with the stereo.

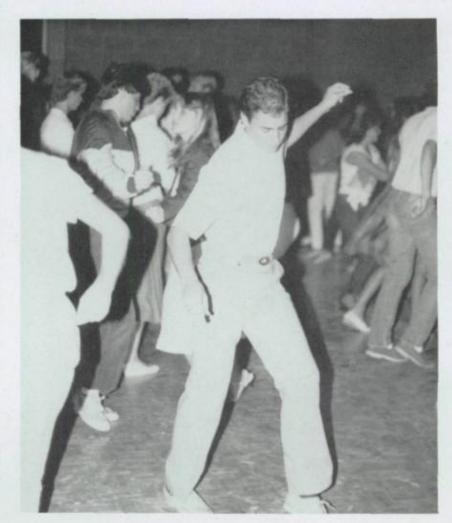

Sherry Stange: I like to spend time making major scenes with friends while watching football games; actually watching the players was all we ever accomplished!

Donna Higa: My favorite thing to do on the weekend is go out and spend money!

Michelle Deering: I like to spend money, tell bad jokes, and spend my time with handsome men. If I can't do that, I'll save money, listen to others tell jokes, and watch them with handsome men.

Doug Glassman: My favorite thing to do on weekends is to party and ride my bike.

Kerry Cleave: When I am not at school, I like to spend time with my friends and relax and try to forget everything I have to do.

Lisa Walsh: By the time Saturday evening rolls around after working all day, playing hard, studying hard, and cheering hard, I get together with my closest friends and "Turn it loose."

Patty Nakamura: When I'm not at school, I like to spend time with my family and friends. Schoolwork keeps me so busy that I don't have enough time to do what I like most . . . be with people!

Varsity Soccer C.I.F. Semi-Finalists

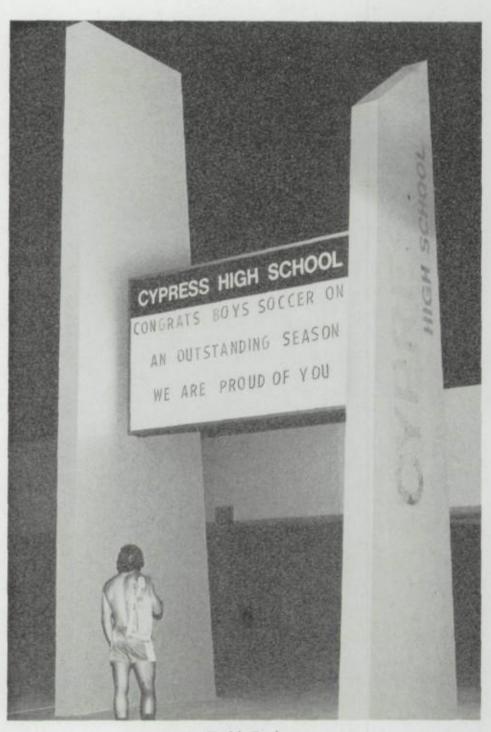

This year's Varsity Boys Soccer Team advanced to the C.I.F. semi-finals by defeating Artesia, Hart, and Mission Viejo high schools. Players receiving first team all league credit were Todd Gushea, David Bolton, and David Shermet. The players earning second team credits were Darrin Lane, Kevin Megill, and Saad Saba. Chris Drennan was also chosen for the honorable mention team. In addition Todd Gushea was chosen Empire League player of the year, and coach Skip Loomis was chosen Empire League coach of the year. Todd Gushea was named first team C.I.F., and David Shermet was named second team C.I.F. In addition to all of these honors, the whole team should be commended for their outstanding performance during the entire season.

CYPRESS ADMINISTRATION

Providing Cypress High School Centurion with the highest quality education is the philosophy of the C.H.S. administration. The goals and objectives established for the 1983-84 school year reflecting this philosophy include quality of instruction, communication and community relations and recognition of students and faculty. Areas of instruction which were emphasized were reading vocabulary speech, listening, writing and spelling skills. More "time on task" was a result of improving both Assertive discipline and attendance. The administration continued to inform parents of rules and students learning progress. News articles and CARE GRAMS recognized both exemplary efforts of students and outstanding service and performance of teachers.

CYPRESS COUNSELORS CARE

This past year the Cypress counselors have been very busy in helping all the students develop an educational program and a plan that will fulfill their individual learning style, goals and objectives; planning and preparing students for a career that will relate to their career goals based on assessed aptitudes, attitudes, and interests; utilizing effective interpersonal communication and recognizing the contributions of students; and exploring leisure-time opportunities for all the students of Cypress High School.

The following three pages are just a few of the major events that have affected our lives this year. 1984 is the year the summer Olympics will be held in Los Angeles. The proud United States team marched in the opening ceremony parade in Sarajevo. After blood was shed and lives were lost in the brutal and senseless attack on our Marines based in Beirut, our proud men came home. "I have a black, a woman, a cripple, and two Jews on my staff," that comment by Secretary of the Interior James G. Watt cost him his job. Aids, the disease, plagued the gay community, little is known about this threatening disease. Sally Ride became the first American female astronaut in space. Vanessa Williams is the first Black woman to win the title of Miss America. The Beatles celebrated their 20th anniversary in America. Steriods being used at the Pan Am games resulted in disqualification of participants. Cabbage Patch Dolls proved to be the hottest present in Santa's sleigh causing chaos in many stores around the United States. Warm fuzzy animal slippers were worn by many feet in the United States this year.

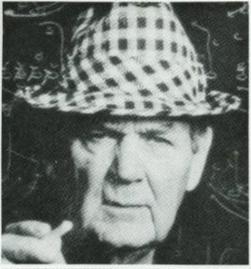

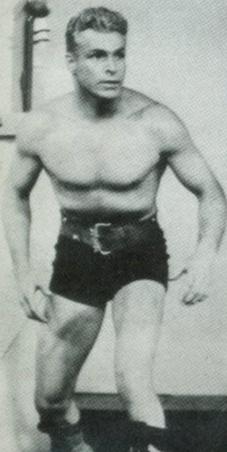

The Year That Was...

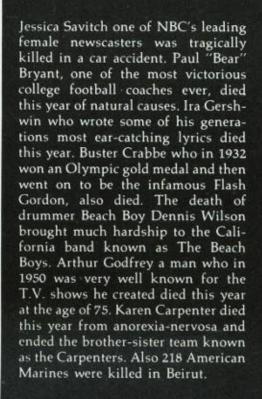

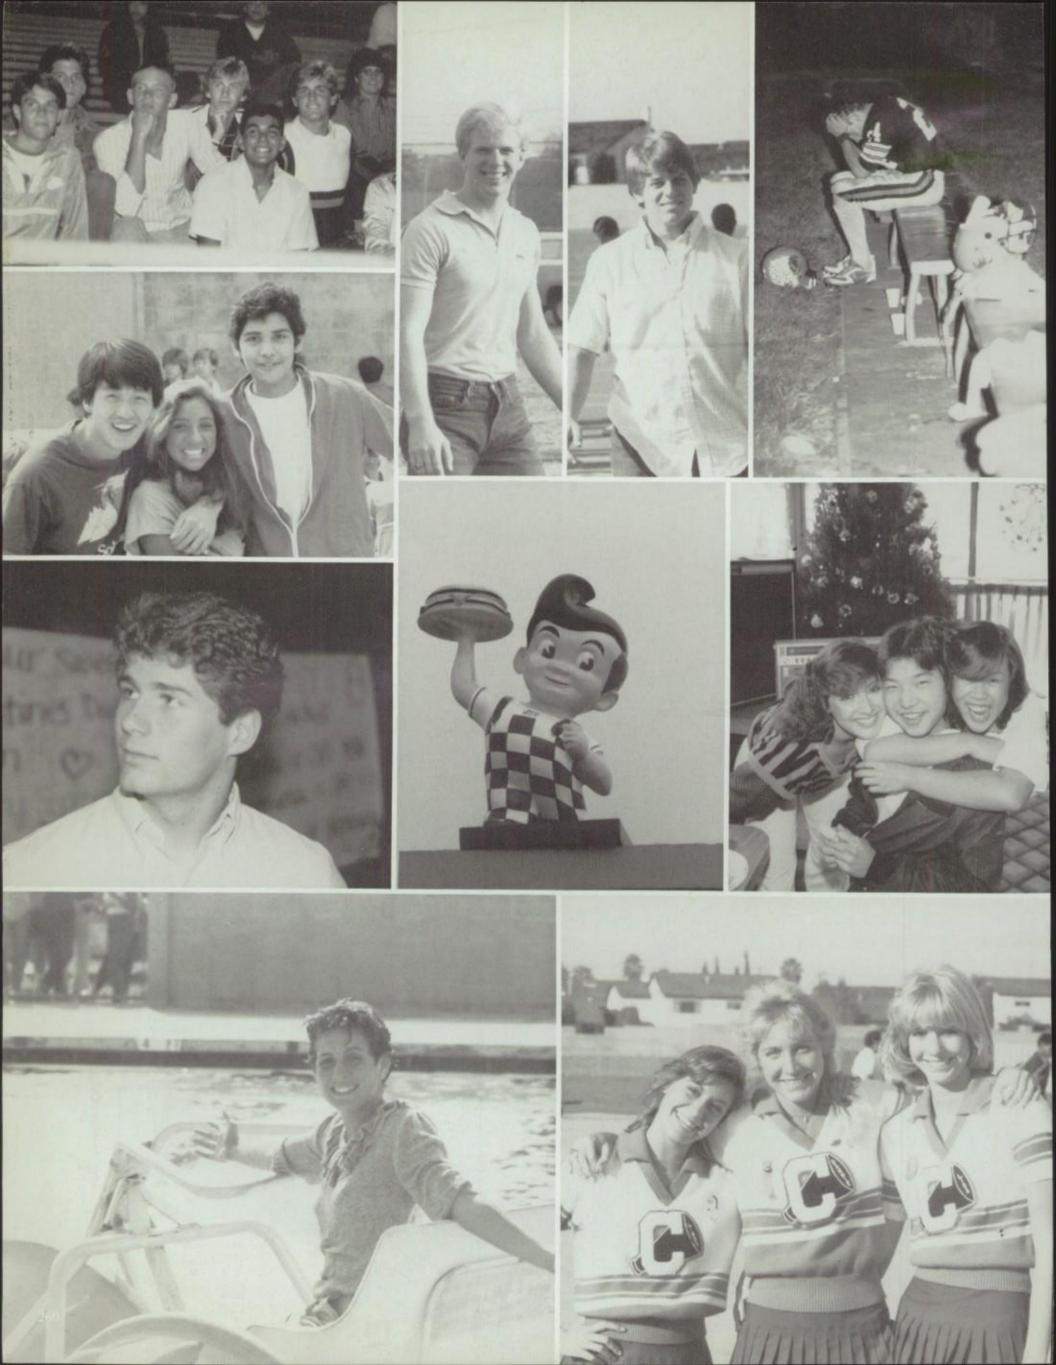

Debra Winger again turned out an outstanding performance as Emma in the movie "Terms of Endearment". An eye opening informative movie aired on NBC. The title was "Something about Amelia," and the subject was incest. Joanna Carson attempts a divorce settlement to make Hollywood history. Joan Collins was named woman of the year but tarnished her image by doing a Playboy centerfold. Michael Jackson had a "thrilling" year by sweeping the American Music Awards and The Grammys. Boy George and his group Culture Club were named new artists of the year. Joan Rivers, will she be the new "Johnny Carson"? Another box office smash starring Cher and Merril Streep was "Silkwood."

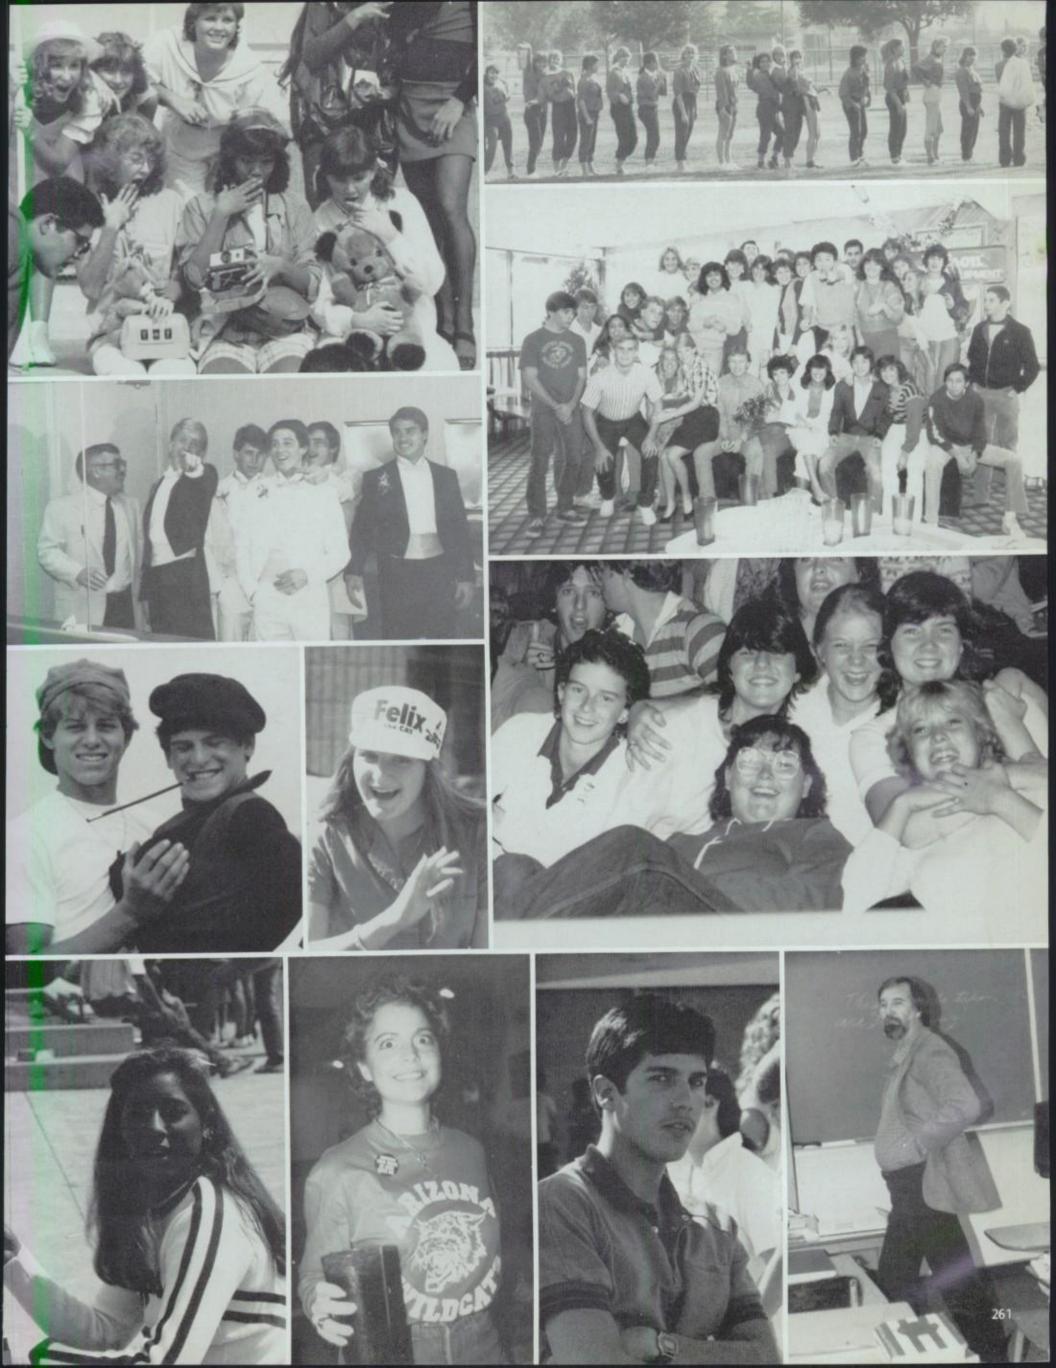

The Three Pounder Club: Row 1. Linda Stover, Melaine Medeiros, Hillary Houghland, Row 2. Eric Krivashei, Russell Stange, Chris Drennan.

Darrin Lane attempts to gain control of the ball.

Judy, Deanna, and Tina get a rise in yearbook.

German Torres a senior dedicated to his work.

Susan Morehouse attempts a perfect score.

Oh, Cypress High we honor thee, We pledge our hearts to you, Our praise shall last eternally, We hail Orange, White, and Blue, For conquering Romans are we, With strength and fame our guide, Marching on to V-I-C-T-O-R-Y, Long live Centurion Pride...

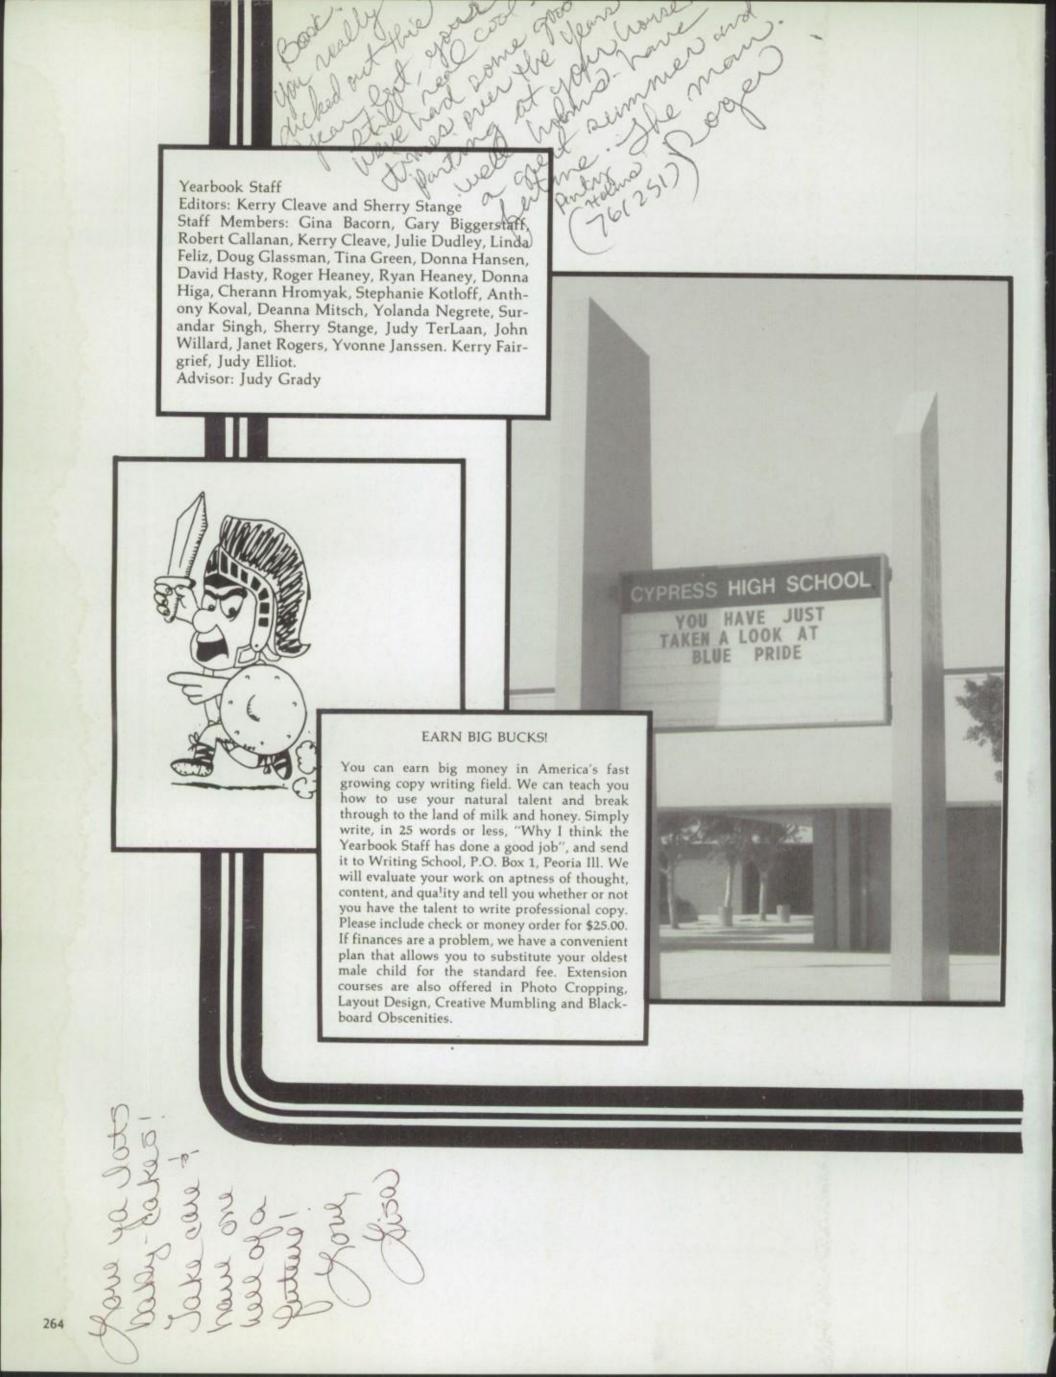

Crystal Williams and Rick Willis share a piece of pizza at the celebration party for Mr. Orr's class.

Tracy Gallagher wants to get dunked and go home.

Kerry Fairgrief yearbook fantom returns.
